Sir :

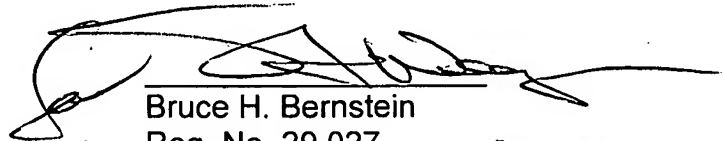

In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and §§1.97-1.98, Applicants hereby call to the Examiner's attention the Information Disclosure Statement filed on March 8, 2004. In the Information Disclosure Statement, U.S. Patent Application Nos. 10/625,873 and 10/625,557 were brought to the Examiner's attention as co-pending applications. Applicants, note that the above-noted divisional U.S. patent applications have now been published as U.S. Patent Application Publication Nos. 2004/0070577 and 2004/0125095. During a telephone conversation with the Examiner, he confirmed that he considered the co-pending applications. In view of the fact that they have now been published, the examiner recommended filing the present document, so that his consideration can be formally noted, and so these documents appear on the face of a patent that issues from the present application. Accordingly, the two above-noted U.S. Patent Application Publications are listed on an attached PTO-1449 Form.

Should the Examiner have any questions, the Examiner is requested to contact the undersigned at the below-listed telephone number.
